

Trout Season To Open Earlier In Local District

May 14 Tentatively Set By Commission For Sierra Area

If the state fish and game commission follows through on the tentative changes proposed in the trout fishing regulations at their meeting in San Francisco next Friday, the season will open in this district May 14 and close as usual on October 31.

This will be one day ahead of the opening on May 15 in Nevada but will mark a uniform opening throughout the district, providing an additional two weeks of fishing on the streams in the area. In the past the season has opened on the last Saturday in May with the exception of Lake Tahoe, Donner Lake and Boca reservoir which were opened a month earlier.

Another proposal which, like the stream season is expected to be passed without opposition, is to keep Lake Tahoe open for fishing the year around.

Limits will remain the same as at present.

It is apparent that the proposal to have a two or three-day either-sex deer hunt in portions of this district, will not be approved by the commission.

The Sierra deer season, under present plans, will not be changed and will remain from September 24 to October 23.

MISS HECKER IS HONORED IN MEET

Miss Elma Hecker, Nevada County treasurer and tax collector, received the highest honor her colleagues were able to bestow upon her at the Senator Hotel in Sacramento when she was elected president of the State Tax Collectors' Association.

Elma Hecker

BUSY MEETING OF TAHOE CLUB HELD

TAHOE CITY—At the dinner meeting of the Tahoe Rotary Club held at Tahoe Inn Tuesday night, Clay Biltz, local fuel distributor, was inducted as a new member. He was formerly with the Garberville club.

Bill Connors, club president, asked the nominating committee to send names of the officer candidates to all members so that the election can be held March 1. The regular meeting for next Tuesday was cancelled because of the holiday.

A film, "Flying Missile," which was shown at the meeting was exhibited at the school last night and will be taken to the home of Mrs. George Walker tonight where the club will show the picture. Mrs. Walker is an invalid. Visiting Rotarians at the meeting were Roy Porath of Kings Beach and Bud McDaniel of Truckee.

SPORTSMEN MEET HERE TONIGHT

Charles Osburn, president of the Truckee Outdoor Sportsmen, is again calling attention to the importance of the meeting to be held tonight at Capitol Hall at 7:30 at which time a group of state fish and game officials, headed by Robert Montgomery, regional manager, will discuss the fish planting program and other matters of importance to local sportsmen.

A representative turnout of sportsmen from this district is anticipated so that their wants may be aired.

300 Children Attend Local Valentine Matinee

Nearly 300 youngsters Saturday attended the Valentine Day matinee sponsored at the Donner Theater by Manager Jack Neugebauer and Hal Welch of the St. Louis Cafe. Each of the children was presented with a candy Valentine and enjoyed the two hour show. Neugebauer said he hopes arrangements can be made where the matinee on Saturday afternoon can be continued as a weekly event.

BROTHER ILL

Mrs. Cleo Klein of the Pastime Club, was called to Raymond, Wash., this week because of the serious illness of her brother, Wesley Buffon.

In Hospital—Miss Thelma Finger was a Tahoe Forest Hospital patient this week.

Firemen's Benefit Dinner Planned To Aid Fire Station

Members of the Truckee Volunteer Fire Department hope to gain sufficient funds from the benefit dinner being held at the high school cafeteria on Saturday, March 12 to finance the materials for the new fire station here.

The affair, to be featured by entertainment numbers will be held from 6 to 9:30 p.m. and a charge of \$2.50 for adults and \$1 for children under 12 years has been set.

On the same evening, Cozzi's Cafe, across the highway from the high school will have cocktails and dancing, with the proceeds going to the firemen's building funds. Tickets are now on sale with members of the department and Chief N. F. Dolley predicted that \$1500 would be realized from the two affairs.

The firemen will do all the work on the building which will be made to house the three present pieces of equipment. The cash is needed, Dolley said, to purchase materials and special services.

Teachers To Plan Change In Salaries

The Tahoe-Truckee Educational Association held its regular monthly meeting Tuesday at the high school. The salary committee presented a salary study which will be presented to the governing board of the Tahoe-Truckee Unified School District on March 8, when the board holds its regular meeting.

Mrs. Kay Wing, chairman of the welfare committee, presented information concerning new retirement plans for California credentialed personnel. The members of the credentialed staff of the district will vote on plans for retirement next week, and all members of the California Teachers Association throughout California will have an opportunity to express their wishes in regard to a change in retirement plans.

The scholarship committee, with the consent of the educational association, are planning to sponsor a dance at Crystal Bay in order to raise money for the scholarship which will be granted to an outstanding senior at the graduation ceremonies in June. The date for the dance will be announced soon.

A special meeting of the educational association will be held on March 7, at 4 p.m. at the high school. This meeting will be to discuss various factors concerning teachers' salary study.

The association is planning to hold a dinner meeting at Tahoe Inn on March 21.

Parents Urged To Attend Tahoe Ski Meet Feb. 25

The Squaw Valley-Lake Tahoe Ski Club is inviting parents of all racers and skiers to attend a meeting to be held above the fire house at Tahoe City, Friday, February 25 to learn the nature of slalom and down hill courses and to review rules governing these contests. Also FWSA point awards for the past year will be made and all parents are urged to be present.

The meeting will be held at 8 p.m., Mrs. Lucile Heuga, secretary of the club, announced.

Disney Studio Aide Talks Before Lions

Dr. Ernest Nickey, associated with the Walt Disney Studios, was guest speaker at the meeting of the Lions Club at Pfeiffer House, Tahoe City last night.

Jack Ellis, local Shell distributor was inducted as a new member. Guests included Dr. Ben King and Oliver Larriave. Earl Stice presided at the session.

Drunk Driver Jailed

Thomas Henry Emerson, 43, Stockton, was ordered to pay a fine of \$450 or spend 90 days in the county jail when he appeared Monday before Judge F. W. Wilson on a drunk driving charge. The court learned that it was Emerson's second offense. For the time being at least, the defendant is in jail.

Bridge Over Bay At Tahoe Now Before Senate

Money Would Come From Park Fund For New Road Project

Possibility that one of the most needed road improvements in this section of the state will be corrected within the next few years looms as the result of a bill introduced in the state senate by Senator Harold T. Johnson calling for a bridge over Emerald Bay at Lake Tahoe.

Financing of the \$1,000,000 project would be provided from the State Park Fund, under terms of the bill which is co-sponsored by Senator Berry of El Dorado County.

The bill provides also for the division of highways to adopt the required highway at the Emerald Bay State Park as a portion of the state highway system.

The bill, which is designated as S. B. 1315, reads as follows:

"The commission, if it finds the same to be of the best interest of the state, may adopt as a state highway, and the department may construct, a highway with a bridge across the mouth of Emerald Bay and across the Emerald Bay State Park, and the commission may designate such new highway as a portion on Route 38. The location for the new highway shall be selected in cooperation with the State Park Commission.

"Sec. 2. The sum of one million dollars, is hereby set aside out of any money in the State Park Fund in the State Treasury, and said sum, or as much thereof as may be necessary, is hereby appropriated and may be expended to construct the highway described in Section 338.5 of the Streets and Highway Code, if the California Highway Commission determines that such expenditure is for the best interest of the state.

"Said sum, or as much thereof as may be necessary shall also be available for expenditure pursuant to an agreement between the State Park Commission and the California Highway Commission for improvement of any portion or portions of the existing state highway between the termini mentioned in Section 338.5 of the Streets and Highway Code, and for the purchase of additional state park lands to be added to the state parks between such termini in lieu of any property now included in such state park which would be used for highway purposes.

"The appropriation made by this act shall remain available without further regard to fiscal years until expended, except that any unobligated balance on July 1, 1958, shall revert to the State Park Fund."

THIEVES LOOT LOCAL SCHOOL

Thieves last night entered the office of the Truckee Elementary School and escaped with approximately \$180 in school lunch and March of Dimes cash. Constable N. F. Dolley said a window was broken in the rear door providing entrance, and that the office door was also damaged.

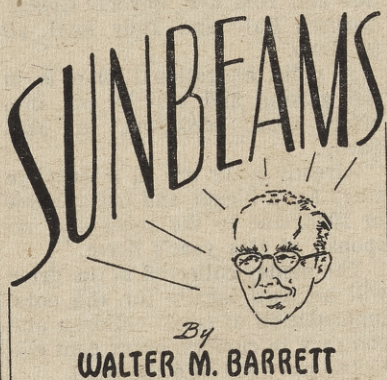

.33 Of an Inch of Rain Falls Here During Storm

The mild spring storm which hit here yesterday deposited .33 of an inch of rain in the Truckee area and left some fresh snow on the higher elevations. The snow pack here has been reduced to 20 inches by the recent warm weather, the U. S. Forest Service reports.

High temperature for the past week was 55 degree yesterday and the low was 5 above last Thursday.

RED CROSS MEET SET FOR MONDAY

A meeting of the American Red Cross will be held Monday, February 21 at 8 p.m. in the local justice court when election of officers will be held, according to Mrs. Foster Wilson. Yearly reports, a fund drive and revision of policy will be under discussion. All interested persons are invited to attend the session.

WALTER M. BARRETT

The increasing attendance at meetings and the success of the current membership drive bears evidence of the good work and planning of the Truckee Chamber of Commerce. The new officers are striving hard to give to this area a booster organization which is capable of the required follow-through to bring lasting and beneficial projects to the community. The number of worthwhile programs, now in the formative stage, but developing as speedily as possible, deserve a united front for their continuance. This can be had only through the full cooperation of everyone interested in the future welfare of the area. Only with this concerted support can we expect the officers of the chamber to continue the earnest drive they have undertaken. Support your chamber through active membership and watch the district grow.

One of the projects chosen by the chamber is a clean-up, paint-up campaign for early spring. This idea has a lot of merit and is deserving of more than passing attention. If you have any ideas discuss them with the president of the chamber and we are sure considerable good will result.

SKI MISHAP HURTS BAY AREA WOMAN

Miss Joan McCann, member of a prominent bay area family, suffered serious injuries Saturday when she struck a tree while skiing on Donner Summit. Taken to the Tahoe Forest Hospital, Miss McCann was treated by Dr. Ben King for a broken collarbone and hip and internal injuries. Tuesday she was removed to her home.

LENTEN SCHEDULE ANNOUNCED HERE

Father P. J. O'Neill this week announced the schedule of Lenten services for the Catholic Churches of this area.

Daily mass will be held at the Assumption Church in Truckee each day at 8 a.m.

On Ash Wednesday, February 23, the mass will be followed by the blessing and distribution of ashes. Evening devotional services will be held at 8 p.m. with distribution of ashes.

Lenten devotion will be held each Wednesday and Friday at 8 p.m. at the church, with Rosary and sermon on Wednesday followed by the benediction with the most blessed Sacrament.

Sunday mass will be held each Sunday in Truckee as usual.

Morning masses will be offered up at Our Lady of the Lake Church at Kings Beach and at Corpus Christi Church at Tahoe City with evening devotion for the convenience of the Lake Tahoe people.

Rebekah Lodge Meets

Naomi Rebekah Lodge, No. 2, met on February 9 with Lenore Vind, noble grand presiding. Pearl Heller, district deputy, presented a friendship gift to Pearl Landry. Val Stewart and Elmay Phillippi served refreshments following the meeting.

Loyalton lodge will meet with local members at the next meeting.

Buy for Store—Mr. and Mrs. I. Firpo attended a showing of merchandise at Reno on Sunday, spring buying for Cabona's Store.

Mrs. Gini Ill—Mrs. G. Gini was reported to be seriously ill in Tahoe Forest Hospital. Friends are hoping for her early recovery of health.

Party Time

Dinner at Goodfellow's Coffee Shop followed by a Donner Theater party marked the 10th birth date of Karen, daughter of Mr. and Mrs. Reg Smart. The event was celebrated Saturday evening.

Boy in Hospital

Ray Brown, son of Mr. and Mrs. Gail Brown, underwent an appendectomy in Reno last week.

School Secures Option On Land For New Classes

Lewis Offers Land After District Declines To Make Bid

Following the action of the directors of the Truckee Public Utility District last week in which they withheld any action on pricing land between the Tahoe-Truckee Wye and the Tahoe-Truckee High School, the governing board of the school secured an option for 30 days on land west of the school plant for the purpose of erecting a new school building to house some of the students of the congested Truckee elementary school.

The action by the school board was taken after a motion which authorized Reg Smart, Denis Sach and Superintendent E. V. O'Rourke to contact G. E. Lewis, owner of the tract, relative to an option on 30 acres of land adjoining Highway 40 and immediately adjacent to the school property.

The option will run for 30 days and provides a price of \$20 per front footage on the highway which extends for 850 feet, making the cost only \$17,000.

This is only approximately half the price which had been proposed earlier by the utility district for a comparative section just east of the school.

LOCAL SCHOOL IS WINNER AT SKI MEET AT CISCO

Cisco Grove was the scene last Saturday of another Tahoe-Truckee victory when the local skiers made a clean sweep of both the cross country and jumping events in a Nordic Combined tourney, sponsored by Placer Union High School.

A much improved Reno team, led by Captain Dick Dorworth caused the Wolverines an anxious afternoon. Dorworth turned in two time performances to gain first in both events. But by placing Kit Schull third, Fred Wofford fourth, Jim Harris seventh and Gary Anderson eighth the TNT slat riders managed to eke out a 3.6 per cent win in the cross country.

It was in the jumping though where the Wolverines got their "care." Reno's Dorworth and Nicora placing first and third respectively almost turned the trick for the Huskies. However, by good team effort even though they sustained three falls on the tricky Auburn Ski Club hill, the Wolverines also won the jumping event by placing Lewis Fellows fourth, Dick Mandeville fifth, Jim Harris seventh, Kit Schull eighth and Gary Anderson ninth.

The next meet will be sponsored by Tahoe-Truckee and will be a slalom and jumping meet held in the Tahoe City area.

OFFICIAL VISIT

Summit Temple No. 79, Pythian Sisters, met February 10 to honor the district deputy grand chief, Edith Welch, on her official visit. Mike Ellis, with her temple drill team, made the presentation as Beverly Wilson was heard in a vocal selection. The refreshment table was attractive in Valentine motif and refreshments were served.

Truck On First Run

The new fire truck had its first official run Friday when a fire in a trash box at the home of Frank Fox on East Main street threatened to get out of control. The truck responded like a veteran and was on the scene within a very few minutes manned by the fire department volunteers.

On Trip—

Mrs. Henry G. Beck left Friday for a two weeks' trip to visit her sisters and brothers in Los Angeles.

Food Sale—

Early selling beginning at 10:30 a.m. of the home cooked foods to be held at Freeman's Do-Not Shop on Friday, February 25, is expected by the Women's Society of Christian Service of the Methodist Church. The annual event finds shoppers ready to buy the delicious dishes, cooked by members of the group and other contributors.

New Manager Of 'Phone Company In District Arrives

Charles Berlenbach of Sacramento has arrived here to take over the management of the Truckee office of the Pacific Telephone Company, replacing Howard Newsham who left for San Francisco two weeks ago.

The new manager, originally from New York, has been with the telephone company since 1948, first in the commercial department at San Francisco and since 1951 in Sacramento. This will mark his first venture as manager.

A veteran of the infantry during the war, Berlenbach is married and will be joined here by his wife, Lola, and his nine-year-old daughter, Joan, as soon as suitable living accommodations can be obtained.

Berlenbach apparently is impressed with the area he will serve and expressed himself as pleased with the opportunities here.

Wolverines Lose Basketball Games

The Tahoe-Truckee Wolverines dropped one conference and one non-conference basketball game last weekend as they entertained the Lovelock Mustangs on Friday night and traveled to Reno Saturday night to meet the Ramblers. Lovelock defeated the Wolverines with little difficulty, 50 to 22. The locals were extremely cold as they managed to hit only five buckets from the floor during the game. Doug Wilson led the Tahoe-Truckee scorers with 7 points.

Saturday night the tall and aggressive Reno team had no trouble moving ahead after a close first period that saw Reno leading 14 to 10. By halftime the count had jumped to 34 to 16 and with the entire Rambler squad hitting well went on to win 62 to 35. Clayton Spinning with 12 points and Stan Rasmussen with 10 were high point men for the Wolverines.

The Tahoe-Truckee Junior Varsity split in their weekend series as they took a fine ball game from the Lovelock Juniors, 41 to 40. It was one of the best games seen in the local gym as the Cubs led all the way, only to have the visitors pull within one point in the final three minutes of play. But with Ken Vaughan and Floyd Cooper setting the scoring pace with 15 and 10 points respectively, the Cubs managed to hold on to their thin margin as the final buzzer sounded.

Saturday night it looked as if the Cubs might pull off their upset of the year against the tough Reno Juniors. Reno, leading all the way but never by more than 4 to 6 points, suddenly caught fire in the final moments of the game and ran away from the locals with the score reading Reno 62, Tahoe-Truckee 45. Vaughan and Cooper again led the scorers with 14 and 16 points. A fine game was also put out by Bob Molsberry, Jim Allen and Doug Cooke.

Friday the Wolverines and Cubs entertained the Stewart Braves at the high school gym. The Braves defeated the Wolverines in an earlier encounter, but the Cubs battled their way to a 46 to 41 decision over the Stewart Juniors in their first meeting.

Saturday night both squads travel to Carson City for a conference doubleheader.

Observe Birthdates

Gary and Joanne, children of Mr. and Mrs. Sam Costa, Jr., shared February 11 as their birth date, the boy being 8 years of age and sister Joanne a year younger, to the day.

Two decorated cakes centered the twin tables, each celebrant entertaining their guests on the dual occasion.

Recovering—

Mrs. Jacqueline Murray is a patient in Tahoe Forest Hospital where she had an appendix operation on Friday.

Cousins Visit—

Dr. Virgil Parrott of the bay district has been a guest of Dr. and Mrs. L. D. Nelson. The visitor is a cousin of Mrs. Nelson.

Johnson's Bill To Build Museum Here Is Favored

\$125,000 Asked To Provide Much Needed Local Structure

If Senate Bill No. 1729, introduced by Senator Harold T. Johnson of Roseville, gains approval of the state's lawmakers when they reconvene next month, this area will have a long-desired need satisfied in the establishment of a historic museum.

The bill provides for the appropriation of \$125,000, or as much thereof as is necessary, to be expended for the construction of, and exhibits for, an exhibits building at Donner Memorial State Park.

The money necessary would come out of the state park fund and would be expended by the division of beaches and parks. The building would also be operated and maintained by the division as part of the state park system, according to the bill.

The need for a museum of this kind has long been felt in this area. Thousands of relics, mementos of the historic Donner party as well as numerous other pioneer groups have been scattered in various parts of the state in a score of museums where they do not attract any part of the interest which they would have where they originated and where visiting tourists expect to find them.

The project is entitled to the wholehearted support of every organization and individual in this region.

REX THOMAS TO BE PRESIDENT OF TRUCKEE ROTARY

Rex Thomas, Truckee jeweler, is the incoming president of Truckee Rotary Club, taking the gavel from Alvah Hooper at Monday evening's meeting held in Brown's Cafe. Ed Grant is the new secretary, with Ralph Frank, Earl Brown and Clarence Osburn, directors.

John Ciardella was program chairman with Robert Wray showing moving pictures of chain saw operation. Beside Wray, a visiting Rotarian was H. Mefford of Loyalton.

Mrs. Kumle Reelected President Of Local PTA During Session

Mrs. Gilbert Kumle was re-elected as president of the Truckee Elementary Parents and Teachers Association at the election of officers for the coming year on Monday evening. Francis Robichaud was named as first vice president, Lynn Kishbaugh second vice president, Mrs. Martin Sturcke, secretary; Mrs. Ben King, treasurer; Douglas Wilson, parliamentarian. Mrs. I. Firpo is chairman of the auditing committee.

Pupils in the first grade of Mrs. Ruth Croxen were given the attendance award. Lynn Kishbaugh presided at the meeting. A program honoring the original founders of the P.T.A. and the reorganization of the local unit six years ago was celebrated.

A candlelight ceremony preceded the serving of a decorated cake. Spring flowers were attractive on the refreshment table.

Popular Homewood Couple Marry At Reno

HOMEWOOD—Their friends throughout this area are extending best wishes to Mr. and Mrs. W. J. Urch following their wedding in Reno Thursday.

Mrs. Urch is the former Mrs. Leah Stuller and has resided at Homewood, where she has been employed by Urch in his plumbing contracting work for the past 11 years. They were married by Justice of the Peace Beemer and are spending a few days honeymooning at Sacramento.

CHAMBER SUPPORT OFFERED OLYMPICS

Members of the Truckee Chamber of Commerce meeting at Brown's Cafe Tuesday night went on record as being unanimous in support of promoting the 1960 Olympic winter games for Squaw Valley. Hal Welch presided at the meeting and told of his recent visits with chamber officials at Reno and Lake Tahoe where the Olympics were discussed. Thirty members attended the session.

Other activities of the meeting Tuesday night are reported today in the chamber's weekly column, prepared by President Welch.

Attend Dinner—Mr. and Mrs. Charles Heller attended the dinner given Saturday in Governor's Hall at Sacramento, honoring B. Babcock, former counselor of the International Lions Clubs.

All-Sex Deer Hunt Is Still To Be Decided

Seth Gordon, director of the state's fish and game department, is opposing the three-day, either-sex deer hunt as proposed by a number of sportsmen's organizations, including the Truckee Outdoor Sportsmen for the conclusion of the 1955 season.

Gordon told the fish and game commission at Sacramento Monday that the problem raised by the buck-or-doe hunt in such a limited area as proposed might lead to misunderstandings.

A final decision will be reached at the February 25th meeting of the commission.

George Difani who said he represented 115 clubs, spoke in opposition to the plan. Francis Lindsay, assemblyman from this district, proposed a two-year tryout of the either-sex hunt for the full season with a limit of one deer.

The United States is the world's largest producer of ground mica.

Southern Pacific Plans Pageant To Observe Its 100th Anniversary

The 100th anniversary of Southern Pacific's lines in the West will be observed this year with colorful pageantry at Sacramento, it is announced by D. J. Russell, president of the railroad.

First unit of the West's pioneer railroad was the 23-mile Sacramento Valley Railroad in California that extended from Sacramento to Folsom, now a portion of SP's branch line to Placerville.

Work on grading a roadbed for this railroad, some of it leveled through earth rich in placer gold along foothills of the historic Mother Lodge region, was started February 12, 1855.

The first rail was laid the following August 9, and it is on that day this year that major events in SP's centennial observance will be staged at Sacramento with a day-long program, Russell said.

The Sacramento Valley Railroad, conceived in 1852 by a group of

\$740 COLLECTED IN MARCH OF DIMES FUND AT BEACH

KINGS BEACH—Money collected in the Kings Beach-Crystal Bay area for the March of Dimes totaled over \$740.

An amateur show, under the leadership of Mrs. Barbara Savoy of Reno and the sponsorship of V.F.W. Post No. 7077, the Brockway Theater, and the Crystal Bay Club was given on February 9 at the Brockway Theater.

Appearing on the program were: Debbie Breese, 4-year-old polio victim, Johnny Arizona and his Blue Prairie Boys, the Cloyd Brothers, Bob and Tom Lee, Beverly Griggs, Barbara Daly and Tody Imel, all of Reno.

A polio educational plan is in the making and will be put into effect soon, according to Mrs. Savoy.

Already plans are in a tentative stage for a bigger and better show in 1956, due to the successful response of this year's drive.

The money collected in the drive will be used locally for the polio inoculation of small children and contrary to rumors, every cent collected has gone into the fund.

Olympic Tryouts Will Be Held This Month

IRON MOUNTAIN (Mich.)—The United States Olympic committee has announced that competition to gain berths on the 1956 Olympic skiing team will be held at Iron Mountain, Mich., February 25 through February 27.

America's leading jumpers will compete for six berths on the team at the giant Pine Mountain slide. The winning members will go to the winter games at Cortina, Italy. About thirty hand picked jumpers will vie for berths.

optimistic Californians, was built by Theodore D. Judah, 28-year-old engineering genius whose vision was later to result in construction of the western link of the first transcontinental railway, to day SP's line over the Sierra.

Judah's pioneer road to Folsom was completed February 22, 1856. Intention of the promoters was to build on to the mining regions of the lower Sierra slopes and link them to shipping on Sacramento's river route of San Francisco. But because of financial and other difficulties their objective was never reached. Nor did the pioneer railroad, first operated west of the Rockies, ever become linked with the transcontinental line across Donner Pass.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Members of the Lake Tahoe Sierra Chamber of Commerce met at the Sierra Lodge, Crystal Bay, last

Friday for lunch, which, by the way, was delicious. Nineteen attended, with Harold Welch new President of the Truckee chamber in attendance. He told of the activities anticipated regarding the biggest topic of the area, the expected coming of the 1960 Olympic, and, as was told in the Sun

Beams last week, the publicity value is terrific, with the backing of all chambers not only in this area but throughout the entire country. Our secretary informed us of the interest from all over, asking for information regarding the facilities of Lake Tahoe to care for the big event.

There was a discussion regarding the coming also of the Mile-High Gold Cup races to be held at the lake this fall, which is also a tremendous job. It is hoped that Fred Main will take the chairmanship again this year.

We have a couple of hopefuls for the Olympics, and members voted \$100 to the Lake Tahoe-Squaw Valley Ski Slub to help finance the sending these boys for trials which will take them all over the country.

It was pointed out that the citizens committee for the purpose of financing the planning, and taking pictures of the area to send to Paris for the meeting on June 14 will need at the very least \$25,000 and must be collected by May 5. Norman Celio presided and Jeanette Mitchell, as secretary, did a splendid job.

It is with deep regrets that we hear of Jeanette Mitchell having been forced to move away from the lake, after 30 years in the community, she has endeared herself to everyone of her friends, nothing has been too much trouble. We sincerely hope that she will find herself able to come back and get right back into harness again. I guess that sounds kinda selfish, huh? But we need her and a lot

more like her. We wish her the very best that the good Lord will give her.

There is also a lot of talk of continuing to build the Mt. Rose road, which would then be an all-year highway, and would come closer to Crystal Bay. This is not an idle dream but will be a reality in the very near future.

Young Bill Miedema and his brother-in-law, Wyman Williams, have been up here for a few days. Bill is bound and determined to come back to the lake to live and to bring his sweet wife and baby. Norman Kings is presently stationed at Long Beach, and he, like all the youngsters, just can't wait 'till he is released in July to get back home.

One of the biggest trout to be caught somewhere about 10 pounds, along the beach at Incline, is bringing lots of fishermen to the Nevada side. There have been some other beauties caught, too. Don't forget what Irvin Single said last week if you have a California license you can fish in the Nevada waters, but not from the shore.

Mel Throop tells me that he was under the weather with a cold and cough but has everything under control again. Daughter Connie and her husband are now in Chatham, Mass., and doing very well.

Larry Ludlow of Ludlow's Lodge, Tahoe Vista, tells us that he intends to build over on the lakeside behind the office. This will make it much more convenient, both for the tenants and also

BEE TROPHY RACE SET FOR MARCH 6

SQUAW VALLEY — Northern California and Nevada skiing enthusiasts are busily forming teams for the purpose of entering the ninth annual running of The Sacramento Bee ski team trophy race at Squaw Valley, March 6.

This year's test of team skill at giant slalom racing will be on KT22 peak paralleling the slalom area proposed to the United States Olympic committee when approval was won for Squaw Valley as the proposed site for the 1960 winter games.

for the management.

It won't be long now before the Golds are back from their extended vacation. They tell me Julius has come along swell and is looking forward to seeing home again. They have been living pretty close to the John Mason Dixons. I hear by people that have visited that neighborhood that they are itching to get back to civilization again. We shall be glad to see all of these folks.

This past week tells me that we should be perfectly safe in any emergency as more deputy sheriffs have been sworn in to perform their honorable duties than any one week in the past, so sit back and relax.

Well, the weather report to our out-of-towners: Is better and better than ever. The temperature in the shade at 50 at 4 p.m. Sunday. Ain't that sumpin'. In the spring a young man's fancy is Lake Tahoe, the beautiful.

If you think this column is not newsy enough, for goodness sake call me with something worth while. You can get your name in the paper in BIG letters, but get the news to me by Monday noon, if possible, but for a scoop call any time, thanks.

Was visiting Doctor Wyatt, at Incline next door to Eugene's Chalet, and what a home it is. Drop down the driveway and take a look it is right on the side of the lake and the most gorgeous view.

By the time the store and apartments are finished, it should be a dandy, a nice large store, and two very nice apartments, it is right opposite the Tahoe City Post Office, and W. G. Cook is building. I am waiting for the unveiling as the front must be a surprise, as it's all boarded up at present.

The M.L.F. went to Truckee last Monday to join with that group of the Methodist Churches in both Kings Beach and Truckee. Rev. A. B. Covher left last Tuesday for Berkeley where he attended the Earl lecture which was given by Dr. Emil Bruener. A leadership training course has been formed at Kings Beach with 4 locals already enrolled, with Mrs. Ivan Wilson in charge.

Congratulations are surely due for our popular realtors, Mr. and Mrs. M. H. Dodd, last Saturday they celebrated their 42nd wedding anniversary. We wish them many more years of happiness.

The North Tahoe Women's Club will hold a hat party at Crystal Bay Club Thursday, February 24, with cocktails at 7:30 and dinner at 8 p.m. The theme will be "Your Favorite Book." Lots of entertainment. Make reservations by calling Liberty 6-2274.

HOUR CHANGE

The meetings of the governing board of the Tahoe-Truckee Unified School District will be held at 8:30 p.m. instead of 8 p.m., on the second Tuesday of every

month. A special meeting will be held at 8:30 p.m. on Tuesday, February 22.

The Pribilof Island Seal Refuge is the largest in the world.

From where I sit... by Joe Marsh

Swiftly Gets Slowed Down

Swiftly Fisher has a short temper and really hit the roof when he got a parking ticket last week. He wasn't near a hydrant or too far from the curb. There was a big sign saying "ONE HOUR PARKING" and he'd only been gone twenty minutes.

Running to Traffic Court, where Hack Miller was on duty, Swiftly hollered how he hadn't done anything wrong... how he is the most law-abiding driver in town.

But Hack examined the ticket, and smiled. "Slow down, friend," he said. "You're not guilty—except of making a big fuss over nothing. This ticket came from some kid's policeman play outfit!"

From where I sit, jumping to conclusions can make anyone appear silly. Another way to look foolish is to make a quick decision on a question of personal preference. For instance, I like a glass of beer occasionally. You may be a buttermilk man. But neither of us ought to "lay down the law" about the other's choice.

Joe Marsh

Tahoe-Truckee School District News

HIGH SCHOOL

Tuesday four officers of the Nevada Air National Guard came and talked with the junior and senior boys. They discussed the opportunities and advantages of a member of their unit.

Last Friday during sixth period we had a rally. Our band, led by James Pringle, played and helped to increase the spirit of the crowd.

"Speeches" were made by Carol Levy, Loma Sorenson, Bob Molsberry, and Mary Ann Tonini.

Tuesday there was a minimum day due to a teachers' meeting. The ski program functioned as usual with the advanced staying at Squaw Valley for some "extra fun."

Last night the high school students who earned enough grade points for admission into the California scholarship federation were initiated. It was an impressive ceremony with Loma Sorenson, CSF president, presiding.

FOR SALE THE HUT Homewood, Calif.

Due to destruction by fire of our main Hut building, for a limited time only and subject to change without notice, we offer the remaining assets for quick sale. Location, 15 minutes from Squaw Valley, the possible location of the 1960 Olympics. Assets include 10 rental units, 9 with kitchens, well built in 8 separate buildings, all equipment therein, off and on sale liquor license in good standing, additional property zoned for commercial business, good large linen room, water system with good water, a house with fireplace suitable for summer use and several small buildings.

The price is based on actual insurable value of buildings, which is much below replacement value, plus nominal price for property and reasonable price for license. If prospect wishes cottages only and does not care to rebuild bar and restaurant, a reasonable allowance will be made for license. If prospect wishes to rebuild and is short of finances he may submit terms desired.

For Appointment Call DONLAC LODGE Truckee, Calif. Phone 39-W Details will be given only to persons able to finance immediately.

MR. and MRS. EDGAR R. MYERS Owners

DONNER TRAIL
Two of our boys, Jack and Jay Graham, returned to school after a two weeks' absence. Monday we had a Valentine party. Candy and Bunny Board, and Sharon Winn made the Valentine box.

In our social study class we have received answers from our letters from the consulate of Canada, Mexico, Chile, and Brazil.

TRUCKEE ELEMENTARY
Kindergarten: Those who told original stories this week were Timmy McLane, Lenny Vind, Karen Hedlund, Kathy Braasch, and Gary Waters.

First Grade (Mrs. Croxen's): John Sturcke brought a goldfish to add to our collection of pets. We named it Goldie. Other children told stories about their pets.

Second Grade: We received a nice letter from Karen Whittenburg, who moved to Shoshone, Wyo. As we have been studying letter writing in language arts, we all wrote her a letter and made a Valentine to send with it.

Third Grade: Dictation is being introduced in the third grade language arts. We have been using words from spelling lists for the

sentences.

The pupils making one hundred in their spelling tests were Bonnie Fair, Kary Kielhofer, Carol Gracik, Leilani Braasch, Sue Guymer, Jeannie Wakefield, and Barbara Croxen.

Fourth Grade: We have been doing several things in our language arts. We wrote original stories like legends telling how the legend started. Janice Stewart, Janice Eaton, Joe Cabrera, Kathy Curran, Helen Kohl, Gene McGihon, Janice Roth, and David Pankeke read their legends to the class. We received a letter from Patricia Ramsey who recently moved to Wyoming so we are now busy writing answers to her.

Sixth Grade: Billy Thornton has quite a knack for writing original stories. He has kept his audience enthralled while he reads his composition. Varian Frey represents the girls in this current fair for writing.

A number of the boys and girls have received letters from boys and girls in various parts of North America. This enhances the language program and helps to learn about activities of other children.

KINGS BEACH
Kindergarten and First Grade: We spent the latter part of last week working on Valentines. We decorated a hat box given us by Martha DeGregorio's mother for Valentines.

Mike Reed has been ill for the past two weeks. Ann Felte was a visitor in our room. Minnie Wagner gave us an avocado seed which we are watching grow into a tree.

Second and Third Grades: Amy Arndt, Susan Graton, Carol Frinklin and Dixie Lee Reese decorated the Valentine box for our room and our party was held Monday.

Mrs. Adeline Free, our room mother, served refreshments. David Reed brought a Yugoslavian doll, which his mother purchased while she was a nurse in World

War II, to our room.

The Cub Scouts who looked neat in their uniforms in observing Boy Scout week were Raymond Hill, Rickey Molsberry, Bobby Ford, Greg Thompkins, Donnie Decker, Larry Free and Brad Thompson. Susan Lucas left Friday with her parents, Mr. and Mrs. Tom Lucas to visit her grandparents at Palm Springs.

Fourth, Fifth and Sixth Grades: Virginia Baker and Rebecca Welles made a Valentine box for our class. We distributed Valentines and had refreshments Monday afternoon. Since our room mother has been away, Mrs. Critchley brought cookies for our room.

TAHOE LAKE

Kindergarten and First Grade: First graders who completed their work books and started new readers this week are: Jeff McLane,

TAHOE WEATHER

TAHOE CITY—Continued dry, warm, sunshiny weather predominates at Lake Tahoe with temperatures ranging from a low of 20 to a high of 54 during the past week. Not a trace of precipitation has been recorded for the past two weeks.

Five gates are still open into the Truckee river and the lake stands at 6226.15 feet.

Peggy Leggett, Susan Wright, Cathy Connors, Joyce Anderson and Christine Litke.

Second, third and fourth graders studied about penguins.

Fifth and Sixth grades are having a spelling contest. The contest is half way through and the fifth grade is ahead of the sixth. We had a Valentine's party and Mrs. Bernice Giannini, our room mother, was in charge.

WHEN IS YOUR BIRTHDAY?

The fact that two famous presidents were born in February reminds us that lately some of our friends have been opening "birthday" saving accounts—either for themselves or a member of the family. The idea is to save a certain amount each week for a special purpose, starting on the person's birthday. We think it's a fine idea—but why wait for a birthday? Why not start right now?

SIGN OF THE TIMES...

Timeplan

Judging by the number of Timeplan auto financing contracts we've processed so far this year, the 1955 models are

going to out-sell any previous year. There's a reason for this, of course. 1955's crop of cars not only look good, they are good—undoubtedly the best automobiles ever built. And Timeplan is a good sound way to buy—through your dealer or your Bank of America branch.

? B of A Quiz Corner ?

DID YOU KNOW THAT you can transfer a B of A savings account from your branch to any one of Bank of America's 550 branches in California—without losing a penny's worth of interest? This is just one more of the many advantages of doing business with Bank of America.

NOTICE OF CHANGE OF HOURS FOR FREE CHEST X-RAYS

CHAMBER OF COMMERCE**NEWS NOTES FROM
TAHOE**By Ethel Joslin Vernon.
Box 636, Tahoe City
Telephone—Tahoe 62

Here we are to do our best to help the Sierra Sun shine for Tahoe, providing no unavoidable dark cloud intrudes at any time to dim the light.

For the past two weeks perfect weather conditions have prevailed throughout the lake region, with only occasional high clouds, and low temperatures at times in the early morning. The spring-like weather is very unusual for the middle of February, and already some of the springs birds have returned from migration, and a few hibernating animals are wide awake and lively. Mrs. A. M. Anderson, from her windows overlooking the lake, has been feeding robins, nuthatches, and mountain sparrows since the first of February and giving handouts to flying squirrels.

Tahoe City friends during the past week heard from Miss Alice Griffith, Tahoe's oldest living summer resident who spends her winters at 1810 Jackson street, San Francisco. Miss Griffith, who recently fell and fractured her hip, is fast recuperating, with round-the-clock nurses in constant attendance, and is already spending a great deal of time each day in her mechanical walker, and has hopes of being in her lakeshore home here at the usual time next summer. She is on the way toward her 91st birthday, and hasn't missed a summer at Tahoe City for more than 50 years. She and her life-long friend, the late Elizabeth Ash, were the original founders of the Telegraph Hill Neighborhood House (a free-help-for-the-sick institution), and up until the time of her accident Miss Griffith has donated her personal services there once or twice weekly to help weigh in new babies.

On Saturday evening the Squaw Valley-Lake Tahoe Ski Club held their annual Hatchet Hope dance at Tahoe Inn in the way of a benefit occasion. The proceeds are to be put toward the Olympic race

fund. Chairman on the dance committee was Mrs. Blanche Donaldson of this city. Funds collected for the benefit totaled \$150. Fifty dollars of this amount being donated by Bill Becholdt, manager of the inn. Prize winners of the evening were Wesley Donaldson and Mrs. Audrey Brehler of this city, and Arthur Lane of Reno. The progressive auction winner was Mrs. Beccy Shontz. One of the several donations worth honorable mention was a basket of groceries from Jack and Dinty's market.

The recently organized "Hits and Mrs. Review" of this city got together for its first real business meeting in the Community Center here last Thursday evening with all members and several visitors in attendance. The Review's first show will be put on some time in April, the exact date to be announced later. Numbers on the first program are several, but all have not yet been fully decided upon, and their titles will also be announced later.

Included in the cast on the show are the following: Pianist Patricia Vanni, June Grinstead, Margie Broyles, Audrey Brehler, Solvig

**MYRTLE CARNELL
N E W SECRETARY
FOR TAHOE GROUP**

TAHOE CITY—Myrtle Carnell of Tahoe City has been appointed as secretary of the Lake Tahoe-Sierra Chamber of Commerce to fill the vacancy created by the resignation Jeanette Mitchell, who will leave the lake soon to make her home at lower altitude upon the recommendation of her doctor.

Mrs. Carnell, the bride, a year ago, of Howard Carnell, had been a resident of Reno where her parents live, and has had wide experience in secretarial and accountant work.

C. W. Vernon, chairman of the office committee, in making the announcement, said the committee considered itself fortunate in finding a secretary so soon, and so fitted for the position.

**FOUR NAPA BOYS
HELD AFTER LAKE
HOMES ENTERED**

TAHOE CITY—Four boys, ages 16 and 17, were taken into custody early last Friday morning by Deputy Constable Harry Johanson and lodged in the Truckee jail for later transportation to Auburn after they allegedly broke into three summer homes in the Sunnyside area three miles south of Tahoe City. Johanson said the boys, who gave their home address as Napa, admitted entering the homes of Phoebe McClathy, E. L. Oliver and M. C. Milton. They were found asleep in a guest cottage of the latter home.

Tom Quinn, caretaker at the Milton home, called the constable when he heard the automatic water pump operating in his house when there was no water being drawn. The pump supplies both houses.

Johanson said all three homes had been ransacked but he believed nothing had been taken away.

The constable reported that the doors on all three cottages where the boys entered were badly damaged, and he thought there might be several hundred dollars damage suit to be filed later against the parents of the culprits. After their arrest the boys were lodged in the Truckee jail to await the arrival of Probation Officer James Nelson of Auburn, who would deliver them to a hearing in the juvenile court there.

**LeRoy Wilson Named
To Sierra Road Post**

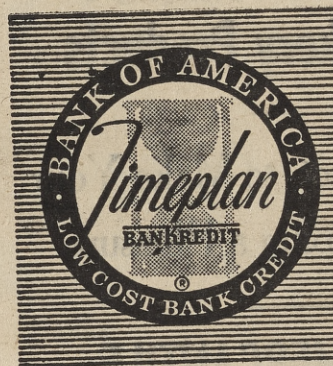

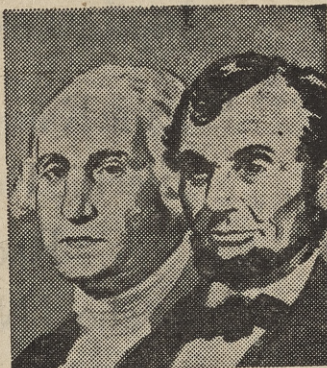

LeRoy Wilson of Nevada City, a former Truckee resident and for the past several years employed by the state division of highways, has been appointed road commissioner for Sierra County. He was chosen from four applicants who were interviewed from a list of 16. He will succeed Lloyd A. Scandland who was killed in an auto accident in December. The new commissioner is a brother of Judge F. W. Wilson of Truckee.

Beavers, Carolyn Ables, Beccy Shontz, Marjory Fellows, Audrey Fellows, Carolyn Marvin, Betty Ball, Naomi Harvath, Mary Anne Connors, Marion Rustad, Dorothy Van Allen, Violet Pomin, and Doris Clark. On the publicity committee are Dorothy Bury, Florence Vernon and Bernice Giannini. On last Thursday night, at the Tahoe Forest Hospital, a baby daughter was born to Mr. and Mrs. Clyde Wright, who recently took over management of the Henry Motel at Lake Forest. The healthy new arrival weighed in at 9 pounds, and her parents made the job of naming her short and sweet—they named her Kem.

Mr. and Mrs. Bill Becholdt held christening ceremonies at Tahoe Inn during the weekend for their youngest son, Michael, who was born early this winter. Father Bolland, formerly of Truckee, came up from his present station in the Valley to officiate. An elaborate party was planned for the occasion with many relatives and close friends attending.

Your Chamber Of Commerce

From the President's Desk

Your chamber of commerce held its first public meeting of the new year Tuesday eve (were you there?). I was very pleased with the turnout—but it fell short of being truly representative of our entire community. With Truckee's future prospects as brilliant as they seem to be? You will pass up the greatest opportunity you will ever have if you do not get behind your chamber of commerce and make it click. It is with this in mind that we are moving our public meeting place to the high school cafeteria, and extending the hour to 7:30 p.m. to make it more convenient for all to attend. This move will eliminate the usual dinner meeting.

One of the several worthwhile projects being undertaken by your chamber is a huge sectional fishing map which will encompass this entire area. It promises to be an invaluable aid to our many fishing enthusiasts. To be erected soon on our main street—watch for it—as I predict it will become a Truckee landmark of the future—plus demonstrating to our many fishermen that the people of Truckee want them here and are interested in their welfare.

Steps have been taken, with the cooperation of our own progressive Public Utility District

to resurrect the old Truckee Ice Skating Palace. This is a community project undertaken for the benefit of all our youngsters who like to skate. Because of the thawing weather of the last few days we may not have skating the balance of this winter but you may rest assured that we will have an ice rink in operation by next season.

Many Years Ago—It is interesting to note that the first letterheads of the chamber carried the inscription, "Free Camping Grounds on the Truckee River, Donner Lake, Coldstream and Other Desirable Places." There is a bill now in our state legislature which calls for creation of more roadside rest areas for the traveling motorist on our state highways. I believe that such rest areas would be a definite aid to our locality.

Don't forget tonight's Sportsman's meeting at the Capitol Hall. Let's all turn out, and support the drive for more fish planting in this area.

Chinese Food
Patrons of Goodfellows Coffee Shop will be pleased to learn that the restaurant is resuming the serving of Chinese dishes this evening, between 6 and 8 p.m. and will feature the menu each Thursday and Saturday.

Mrs. Ben King plans to visit her mother this weekend in San Francisco.

Tahoe Chamber Gives Approval To Plans At Busy Meeting

by ETHEL J. VERNON
TAHOE CITY—At a directors' noon-meeting given last Friday afternoon at Crystal Bay, the Lake Tahoe Sierra Chamber of Commerce endorsed six of the most important matters to come before this organization in any one meeting in its history. During the process there was not one dissenting vote.

Propositions voted and passed included: To enter exhibits at the San Francisco Sports and Boat show, between March 4 and 13. To donate \$100 to the fund of the local ski club for sending Lewis Fellows, Olympic potential, to various skiing events in areas holding tryouts in this country during the winter; the 17-year-old Fellows, who has won various ski jumping and slalom races in the recent past, is expected to be away for at least a month longer, flying from one ski area to another.

Their third vote was to lend their whole support to the citizen's committee, organized recently in the northern part of the state to raise funds and collect data on housing and other matters that could very well influence the final decision to stage the 1960 Olympic games at Squaw Valley.

They voted approval on Senate Bill 1315 (Berry and Johnson), an emergency bill now before the

ELECTION PROCLAMATION TRUCKEE PUBLIC UTILITY DISTRICT COUNTY OF NEVADA, STATE OF CALIFORNIA

Pursuant to an order of the Board of Directors of Truckee Public Utility District,

NOTICE IS HEREBY GIVEN that the District Biennial General Election shall be held in said District on the 3rd day of May, 1955, for the purpose of electing two Directors-at-Large;

That candidates may obtain from the Clerk of said District, and circulate nomination papers commencing February 22, 1955; that nomination papers may be filed with the Clerk of said District or after February 28, 1955, and must be filed with said Clerk not later than March 19, 1955; that the last day for candidates to file affidavits is March 24, 1955.

DATED: February 8th, 1955.
C. EDMUNDS,
Acting Clerk of Truckee Public Utility District.

California Senate to bridge Emerald Bay, State Route 89, which is closed at that point during winter months. Bridging of the bay would provide a much shorter route between the south end of Tahoe and Squaw Valley. This project has been proposed to the state department of highways on various other occasions.

The chamber also endorsed a proposal by Nevada interests, to build a new highway from the summit to Mt. Rose to Crystal Bay.

After some debate on the general merits of Senate Bill 935 (Brown, Berry and Johnson), providing for a five-man committee by the respective governors of California and Nevada to work out an amiable agreement on the use of the waters of Lake Tahoe, and several kindred matters, the directors gave their unanimous approval.

Tarzan

by EDGAR RICE BURROUGHS

DEATH STRUCK THE NIGHT MONSTER AS TARZAN, LAUNCHING A MASSIVE SPEAR, IMPALED THE CARNIVORE TO THE GROUND!

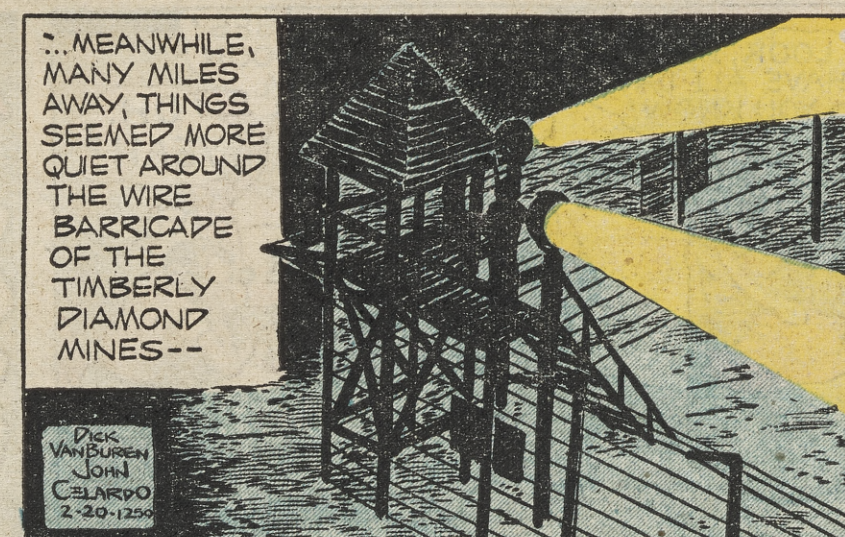

THE TRIUMPHANT HUNTERS DRAGGED THEIR MAMMOTH TROPHY TO THE OUTSKIRTS OF THEIR VILLAGE-- FROM THIS VANTAGE POINT THEY PROCEEDED TO CELEBRATE THEIR SUCCESS!

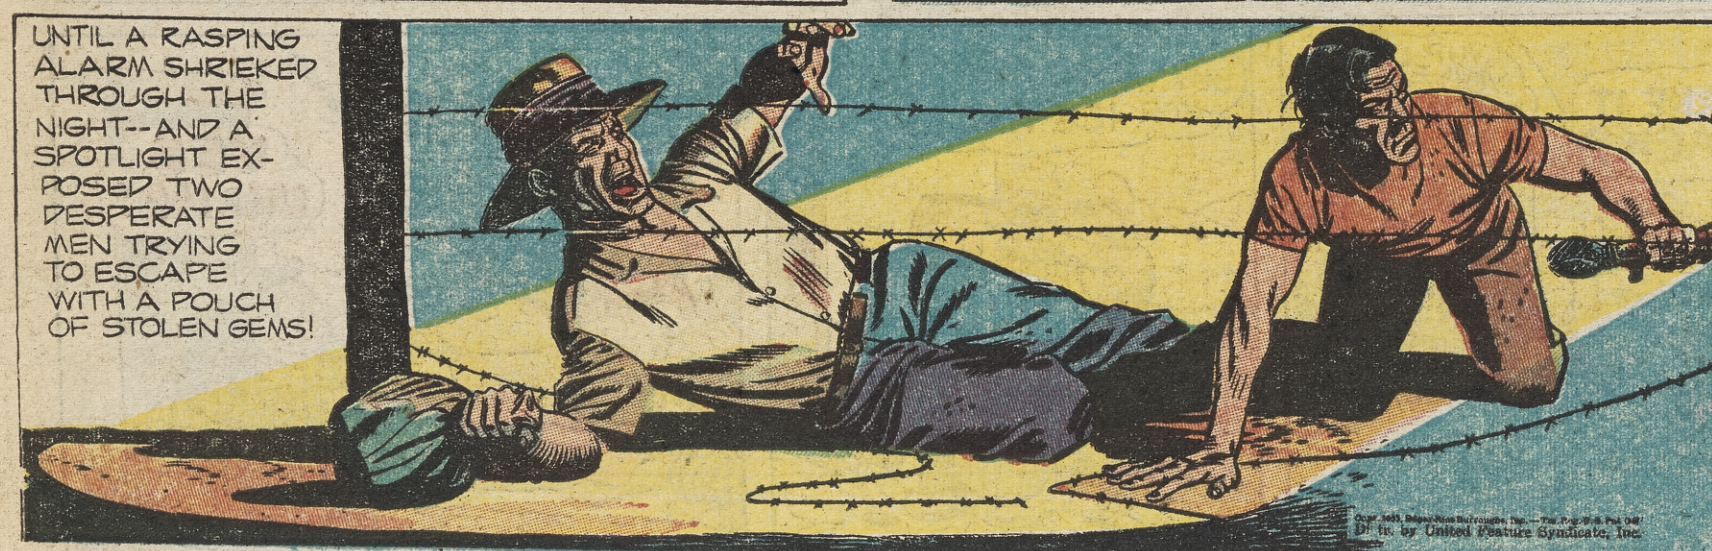

BY NIGHTFALL, THE FESTIVITIES REACHED A CLIMAX. GLEAMING WARRIORS LEAPED AND DANCED IN TRIBUTE TO THE MIGHTY HUNTER--TARZAN!

...MEANWHILE, MANY MILES AWAY, THINGS SEEMED MORE QUIET AROUND THE WIRE BARRICADE OF THE TIMBERLY DIAMOND MINES--

DICK VAN BUREN JOHN C. BLANKO 2-20-1259

UNTIL A RASPING ALARM SHRIEKED THROUGH THE NIGHT--AND A SPOTLIGHT EXPOSED TWO DESPERATE MEN TRYING TO ESCAPE WITH A POUCH OF STOLEN GEMS!
